1 Introduction

1.1 Reporting population

Report S 1.3 must be provided by all money market funds (MMF) and non-MMF investment funds except for non-UCITS investment funds[1] with a valuation of their assets less frequently than monthly.
Report S 2.13 must be provided by non-MMF investment funds (i.e. non-UCITS investment funds with a valuation of their assets less frequently than monthly).

1.2 Frequency and reporting deadlines

1.2.1 Money market funds

Report S 1.3 must be provided to BCL on a monthly basis at the latest 10 working days following the end of the period to which it relates.

1.2.2 Non-MMF investment funds

1.2.2.1 Non-MMF investment funds except non UCITS investment funds with a valuation of their assets less frequently than monthly

Report S 1.3 must be provided to BCL on a monthly basis at the latest 20 working days following the end of the period to which it relates.

[1] Non-UCITS investment fund means a collective investment fund, which does not comply with requirements laid down in Directive 2009/65/EC of the European Parliament and of the Council of 13 July 2009. This type of investment fund is not subject to Part I of the Law of 17 December 2010 relating to undertakings for collective investment ("the Law").

1.2.2.2 Non UCITS investment funds with a valuation of their assets less frequently than monthly

Report S 2.13 must be provided to BCL on a quarterly basis at the latest 20 working days following the end of the period to which it relates.

The BCL establishes and publishes, on its website, a calendar with the remittance dates for statistical reports.

2 Types of breakdowns

Assets and liabilities must be split according to the following four criteria:

- Country of the counterpart
- Currency in which assets and liabilities are expressed
- Economic sector of the counterpart
- And initial maturity.

The nomenclature and the codes to use are detailed in the document “Types of breakdowns for the statistical reporting” accessible on the BCL’s website.

However, reported amounts must not always be broken down according to the complete set of available breakdowns listed in this document. Hence, only the breakdowns requested in report S 1.3 and S 2.13 attached to the present instructions must be reported to BCL.

2.1 Country

Assets and liabilities must be split according to the country of residency or the country of the registered office with a two character ISO code.

In addition to the ISO country codes, the following specific country codes may be used.

Code	Label
XA	European Central Bank
XB	International institutions, except European institutions, located outside Luxembourg
XC	International institutions, except European institutions, located in Luxembourg
XD	European institutions located in Luxembourg
XE	European Investment Bank
